

2019 Addiction and Pain Management and Prevention Summit Schedule

February 15-17, 2019 / AT&T Executive Conference Center / Austin, TX

Overarching Objectives: The Summit seeks to:

- Educate physicians, nurses, pharmacists, medical students, residents and other health related professionals on the treatment of acute and chronic pain.
- Train health professionals on the early signs and symptoms of chemical use disorders, as well as ways to intervene.
- Educate health professionals to work with patients regarding other treatment approaches to manage both acute and chronic pain.

Friday, February 15, 2019
